

Christmas (IN JULY) 5K RUN

Registration opens at 5:00 PM

Race begins at 6:00 PM

All **pre-registered** participants will receive a custom-designed Wicking T-Shirt, a “goodie-bag” filled to the brim with awesome SWAG, post-race food and drink tickets, and one (1) free raffle entry while supplies last. **Pre-Registration closes on July 21st at 10:00 AM.** Participants may register onsite at the event after pre-registration closes. Please see details below.

CHIP TIMING

We use a disposable chip timing tag that runners receive at registration on the back of the race bibs. It is covered by foam. **DO NOT REMOVE.** It is lightweight and remains attached to the race bib.

Runners **MUST** wear race bibs on the front of their clothing in order to be timed accurately. You must wear your bib on the front of your body pinned over your belly. The bib cannot be covered, holding it in your hand or putting it in your pocket will **NOT** read the chip. Do not bend the chip. Smart watches such as Garmin and Smart phones can interfere with the timing chip frequency. Please do not adjust your watch or phone as you cross the finish line and come through the chute. Disputes for times on Smart watches and Smart phones will not be taken into consideration.

Results will be posted within 24 hours after completion of the race on the RaceRoster website or by following this link: [LINK](#)
